

# *Central Maine Egg Festival*

*P.O. Box 82 Pittsfield, Maine 04967*

The vendor fee schedule has changed and voted upon by the board of directors for the year 2012. This fee schedule was to make it fair for both non-profit organizations as well as for profits. In the past there was no continuity between fee structures which most thought was unfair. It is in the best spirit of the Central Maine Egg Festival to keep the event going for future generations and to do so we need to put money back into the events by charging a per square foot fee to the vendors, the fees are reasonable and fair to all who want space to participate and these fees will be paid before any organization may set-up any food or event booth on the festival grounds.
