MAP NOT TO SCALE!!

Actual Placement Of Tent On Grounds Not Known Until Week Of Event!!

"I" = Inside Main Tent Spaces, "O" = Outside of Main Tent Spaces

The **Central Maine Egg Festival** - the Former Craft Tent has been transformed into the **Egg Festival Marketplace**.

The **Egg Festival Marketplace** is a great location, during a wonderful, annual event to showcase and display Arts & Crafts from all around Maine and New England.

Marketplace Days...

Marketplace Days are four plus hours each, Thursday and Friday nights, for our vendors to be a part in the festivities taking place on the grounds. Thursday and Friday nights the Midway opens... games, food and fund-raising booths open for the Festival.

"Marketplace Spaces" are those outside spaces facing the midway area of the Festival. These are reserved for those vendors who wish to take part in Thursday and/or Friday nights of the Festival. Vendors can also keep these spaces for Saturday as well - no moving needed.

"I" and "O" spaces are Inside and Outside the Big Tent. The Tent edges are bordered by the **thick black line** on the map.

This map is NOT to scale and the tent size is preliminary. Please reserve your space BEFORE the deadline. Once the tent is up, we are limited by the space and tent we have. As past years have shown, even though we think we know the location and tent size going into the new year, when set up of the Festival begins those things CAN CHANGE!!!

Thank you...

Come Enjoy the Egg-citement!!
